Subject: Fwd: "WHAT WOULD GENERAL HAIG DO? - McINERNEY HONORED, SPEECH" -

This is a speech made by Tom McInerney, a friend and often seen FOX News analyst. He is the younger brother of Jim McInerney, another friend and for whom I worked in Air Force Foreign Military Sales. During Tom's working with Bob Komer, Jim often asked me to go to Tom's office and help Tom with some of the issues he had to work.
